Brad is a Level II USEA Certified Instructor and has evented through Intermediate. With over 20 years of experience teaching and training horses and riders of varying levels, Brad provides the tools, skills, and exercises to improve the partnership and communication between horse and rider. Operating out of Galena, IL Brad regularly works with young and experienced horses that have developed problems.

Brad will provide an accurate assessment of what you need to work on with your horse. A true horseman, Brad has an exceptional eye for evaluating what a horse and rider need to be successful. He is down to earth in a way that makes all riders feel comfortable and ready to learn. He has great methods for developing balance in the rider and quality of movement from the horse.
