Notes:

- 1) Each level of competition has been provided a time frame in which they must complete stadium round. For people doing the horse trial, you will proceed to xc as soon as you complete stadium and riders will be started at 2 minute intervals.
- 2) XC is timed, but jump judges are not at the jumps. Please report to the xc timer if you had any problems on the xc course. They will then record those issues. XC is based on the honor system for reporting refusals, etc.
